Academic Pod Sessions

September to October 2020

We know that with the uncertainty of the school year everyone will be a little off getting things going and with the distance learning which is inevitable for so many, so we decided to try to help out with academic pods twice a week to ease some of the academic stress for many parents!

Our new Academic Pod Sessions will be hosted here at our new location in Hopewell Junction beginning the week of September 14th for 6 weeks, for either twice a week or once a week for 2 ½ hours each session!!!

Academic Pod:

- ✿ 90-minute academic sessions with fully certified staff in Elementary and Middle School Special Education
- ✿ Organizational Skills & Strategies Implemented & Taught with certified Counselors
- ✿ Advocate/Liaison and coordination with individual's teacher/CPSE team to coordinate IEP/504 accommodations and progress
- ✿ 1 Hour of Mindfulness/Coping Strategies after the academic session
- ✿ All students will be spaced out 6 feet apart in our new, spacious, and state of the art facility.

Safety Measures:

- ✿ All students will be spaced out 6 feet apart in our spacious, facility.
- ✿ Students and teachers are required to wear a mask or a face shield.
- ✿ Room and tables will be disinfected before and after each session.
